James Smith

He is our unknown soldier.

In Kirklees Archives there is a note saying he probably worked in the Education Office and may have belonged to the National Union of Teachers. He may have served in The Guards.

However, there is a James Smith on the Hanging Heaton War Memorial situated in the grounds of St. Paul's Church but this is for the whole of the Hanging Heaton area. Is this the same man?

At this time, we have not been able to establish who he was.
